You found the perfect person to spend the rest of your life with and that is something to enjoy. Now you can find the perfect setting to get married out in nature. For anyone who loves the outdoors, YMCA Sequoia Lake is in the midst of Sierra National Forest on our own private lake.

Located just minutes from King Canyon and Sequoia National Park, you'll be able to celebrate in one of the most beautiful settings around. We would love to host your party and offer you our.

"...Having it in this magical summer camp location right by Sequoia/Kings Canyon made it even better. We shared hugs and laughter, we ate cake and pie and s'mores, we danced in the rain, we kayaked on the lake, and we wish it wasn't over..."
