

Youth Camp Pricing 2026

At YMCA Camp Sequoia Lake, we believe that camp is for everyone, and money should never be the reason a child doesn't come to camp!

Because of this philosophy, all our youth programs have a Tiered Pricing system which allows families to honestly select the cost for camp they can afford, including our subsidized rates, without complicated paperwork or fear of judgment. Generous donors every year allow us to offer this option openly, and only financial aid scholarships covering more than 20% of the cost of camp require additional paperwork and personal financial information.

All pricing tiers include full access to all camp activities and benefits with no change in the experience a child receives from one tier to another.
